Kitchens and Stoves

Module 8: Kitchens and Stoves

4

- According to the old texts on the Eight Mansion formula, the placement and orientation of the stove and kitchen is one of the most potent of all. This formula requires that kitchens be assigned to your negative or unlucky sectors.
- The premise behind this important idea is that the fire will *'burn up'* your bad luck thus attracting auspicious, good luck and events. This also applies to stove locations—they should be placed in one of your negative sectors/directions (-90, -80, -70, or -60).

Module 8: The Bad, Bad, Good Principle

5

- The kitchen should be in a **BAD** *location* (-90, -80, -70, or -60)
- The stove should be in a **BAD** *location* within the kitchen (-90, -80, -70, or -60)
- The stove's knob direction should be in a **GOOD** *direction* (+90, +80, +70, or +60)

Module 8: The Bad, Bad, Good Principle

6

- The last two are the most practical to implement as the kitchen in existing homes cannot be moved unless you're undertaking a massive remodel.
- Let's look at the floor plan on the next couple of slides

Locate the Kitchen in a BAD sector (-60, -70, -80 or -90)

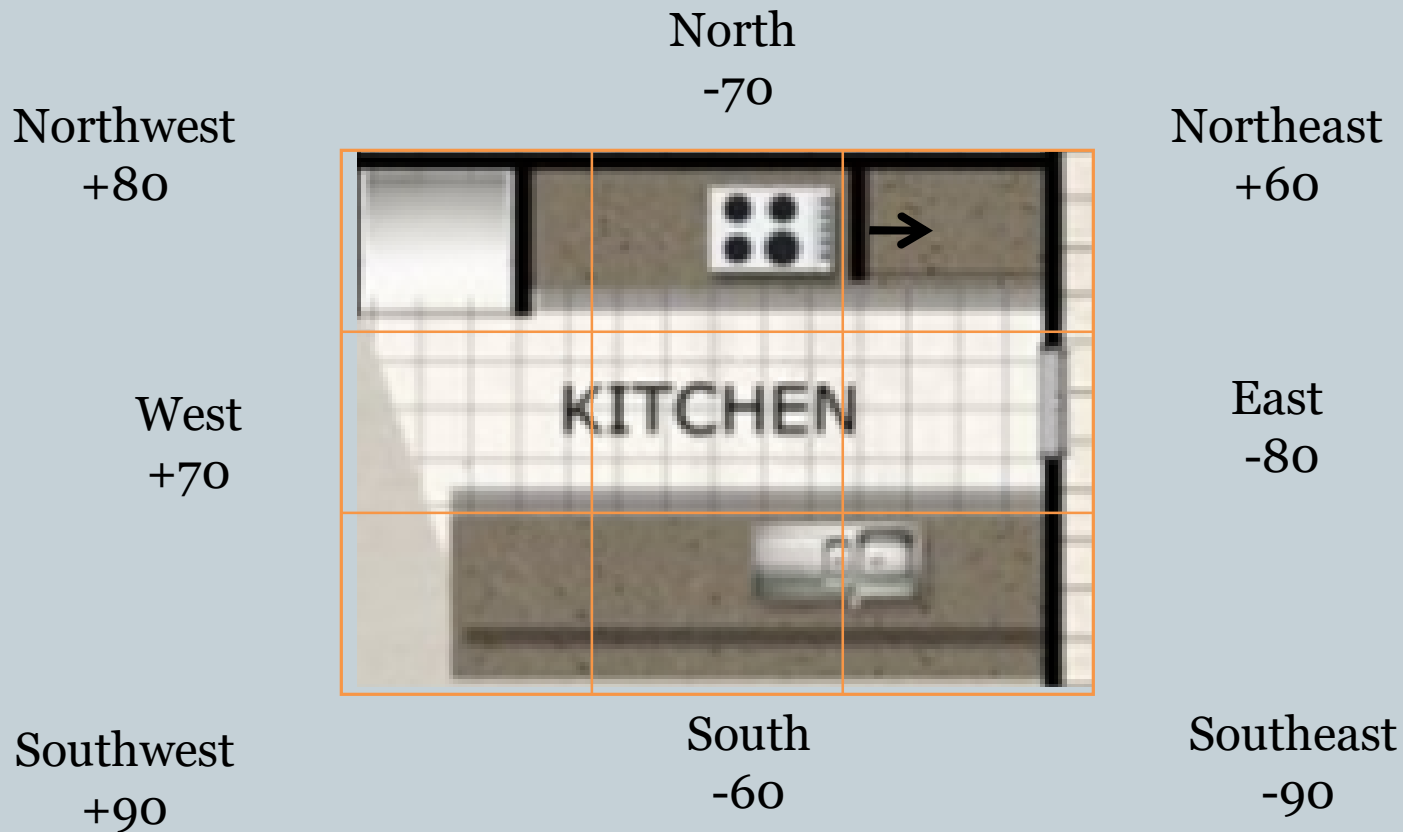

The homeowner is an 8 Gua (*Kitchen is East; -80*)

7

Locate the Stove in a BAD sector (-60, -70, -80 or -90)

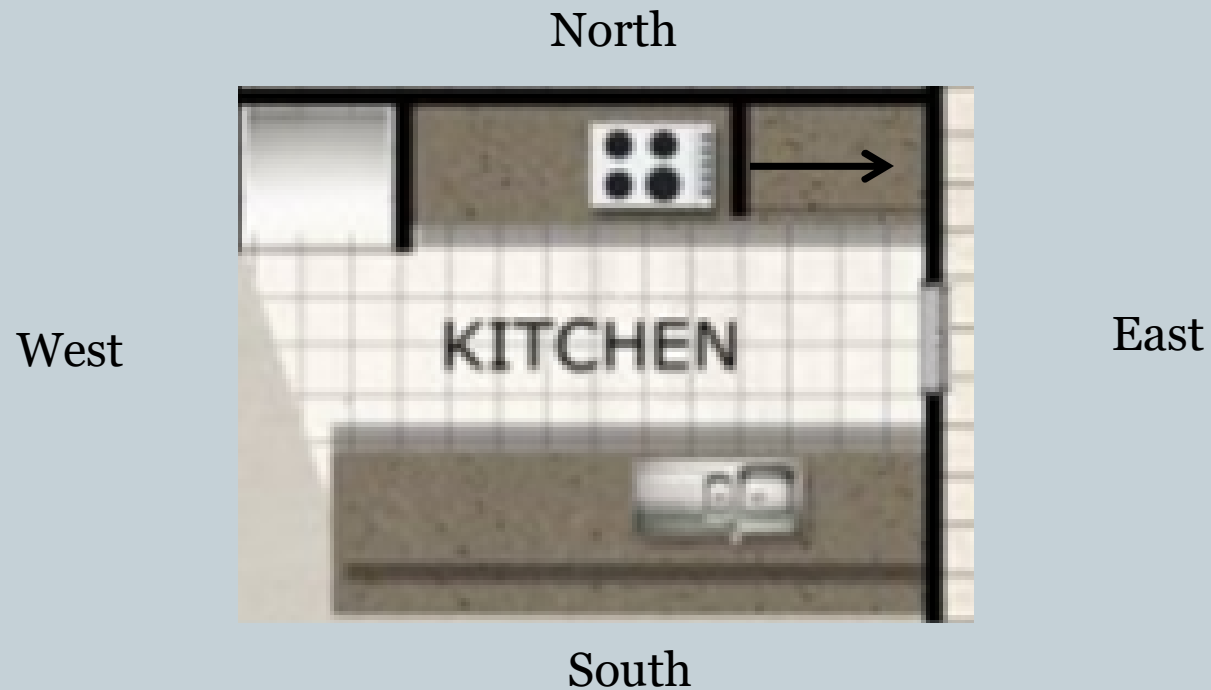

The homeowner is an 8 Gua (*Stove is on North; -70*)

Face Stove Knobs to a GOOD direction +60, +70, +80, +90)

The homeowner is an 8 Gua (Knobs face East; -80)

Stoves located on the -90 will bring you money-luck! The stove placed here *'burns up'* your bad luck. If the fire mouth (knobs) faces your +90, wealth is assured. Stoves located on the +90 will cause money-loss and may cause bankruptcy and disasters. Women in the house may not be able to conceive; indicates no money, no kids.

Stoves for Wealth

To improve health, select a home with the stove on your -80. The stove/fire placed here 'burns up' your bad luck. If the fire mouth (knobs) face your +80—you could heal a disease.

Stoves located on your +80, will bring much illness in the house. No harmony in the house is also indicated when you burn up this area. The stove/fire place here 'burns up' your bad luck.

Stoves for Health

Good Stuff:

To improve relationships, attract more clients, get married, have a better standing in the community--select a home with the stove on your -70. Stoves located on your -70 will bring you relationship-luck! The stove/fire placed here 'burns up' your bad luck.

If the fire mouth (knobs) face your +70, success in all relationships are improved.

Bad Stuff:

Stoves located on your +70 will bring you divorce or no partner in life! The stove/fire placed here 'burns up' your good relationship-luck. A short life and quarrels are also indicated when a stove is placed here.

Substitute Cooking Areas

Substitute Stoves

If you are not remodeling your kitchen and cannot move the stove, placing a 2-Burner stove or a single induction cook top (like *Nuwave*)—both can be found at department stores or on websites. Electric skillets (face the control to the direction you want) and a 2-burner stove work well as a well-placed substitute cooking area. Use the bad, bad, good rule to place it.
